

DAVE DERRY

CHAIRMAN/PRECONSTRUCTION

With over 40 years of construction experience in construction estimating and project management, Dave is extremely effective during the preconstruction phase of the project. Working alongside all team members, he provides valuable information to help our clients make timely and thoughtful decisions. Dave's proactive and hands-on approach will facilitate the team's immersion into the project.

EDUCATION AND ACCREDITATIONS

Associate of Applied Science Degree in Architectural Drafting and Estimating - North Dakota State College of Science

Wilmot Interstate Rest Area Addition - Wilmot, SD

\$2.9 Million | May 2019

A single-story structure intended to extend in the existing rest area structure. Work included restrooms, storage space, mechanical room, etc. along with the welcome center and exhibit space.

Faulkton School District #24-4 Addition and Renovation - Faulkton, SD

\$9.1 Million | September 2020

29,750 SF of new construction (high school and junior high) and 14,500 SF of remodel of the existing elementary school. The new high school/junior high consists of nine classrooms, music, science, SPED, and FACS along with a high school/junior high commons, library, kitchen, administration, SPED and central commons.

NSU Johnson Fine Arts Center - Aberdeen, SD

\$11.7 Million | August 2016

The facility included an addition and renovation that included new/upgraded performance venues and lobby/support areas, an art gallery and classroom, practice, and studio space for the departments

Ipswich Middle School and High School - Ipswich, SD

\$7.95 Million | April 2015

New classrooms, theatre, and gymnasium additions to the Middle and High School in Ipswich.

NSU Jewett Regional Science Education Center - Aberdeen, SD

\$20.1 Million | September 2019

Features include faculty offices and classroom space; biology labs and chemistry labs; a climate-controlled cadaver lab; a classroom fitted to contain a GIS lab; and an imaging suite that will house Northern's confocal microscope and two fluorescent scopes. The building was built together with our sister company, Henry Carlson Construction.

Faulk County Jail and Sheriff's Office - Faulkton, SD

\$5.54 Million | October 2017

This project included a 35-bed jail, sheriff's administration and dispatch/communications.

Spink County Law Enforcement Center - Redfield, SD

\$2.14 Million | October 2019

The Spink County Law Enforcement Center totals 7,810 square feet. The facility is located on the southwest corner of the existing courthouse and has space for sheriff and deputy offices, emergency management, a 911 call center and dispatch, interview and observation rooms, two holding cells, protective cell, conference room, storage and file rooms with an additional 1,460 square feet of space in the Sally Port.

Augustana University Froiland Science Complex - Sioux Falls, SD

\$26.0 Million | August 2016

An approximately 46,000 SF addition and the renovation of the existing Gilbert Science Center (80,000 SF) that houses a mix of faculty offices, labs and classrooms.
