

# RON FABER

## CORPORATE SAFETY/RISK MANAGER

Safety is our most important core value. We are committed to maintaining a safe work environment for all employees, subcontractors, clients, partners and the public. Ron has over 25 years of experience with the Sioux Falls Fire and Rescue department and over 40 years in the safety field; developing and implementing safety programs. He uses his no-nonsense approach each day as he prepares the project-specific risk management plans, trains our workers, and conducts on-site safety inspections. Once identified, any safety concern is addressed immediately.
